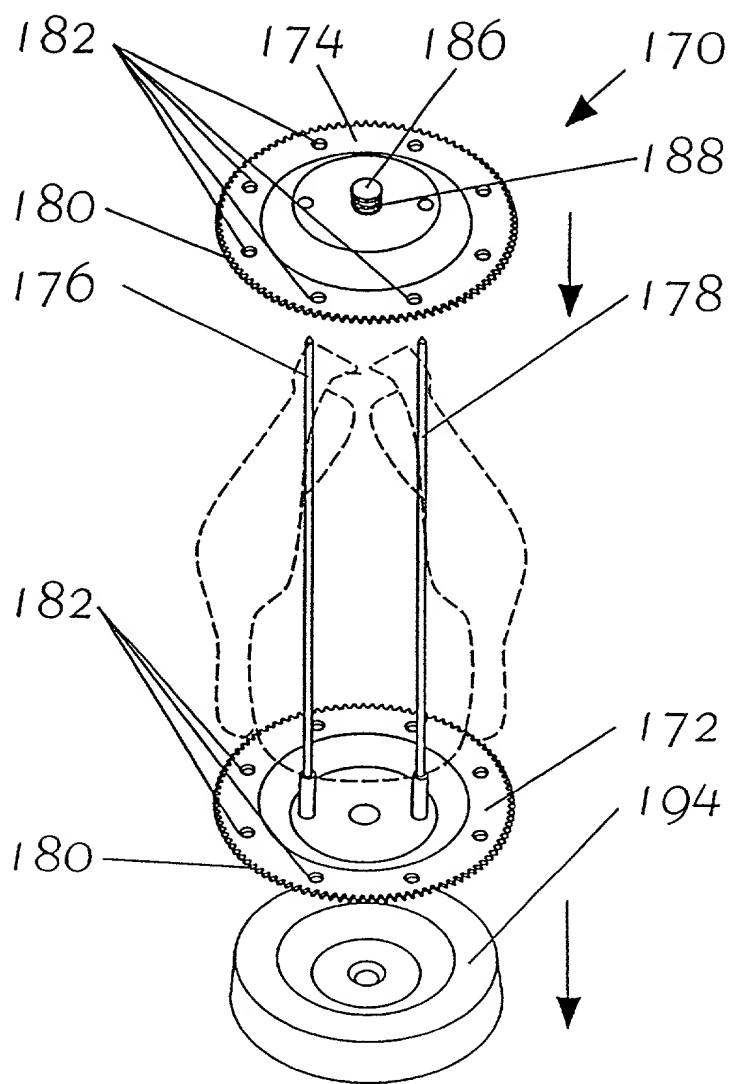

Figure 11

Figure 12 is a perspective view of a container 150 in an open position. The container 150 includes a base 151 and a lid 153. The lid 153 is hinged to the base 151 and is shown in a partially open position. The container 150 is shown in a perspective view, with the lid 153 and base 151 being the main components. The lid 153 is shown with a dashed line indicating its open position. The base 151 is shown with a dashed line indicating its open position. The container 150 is shown in a perspective view, with the lid 153 and base 151 being the main components. The lid 153 is shown with a dashed line indicating its open position. The base 151 is shown with a dashed line indicating its open position.
